

**This is the amount of money
every New Englander pays in taxes
AND NEVER SEES AGAIN.**

**In FY 2013-2014, New England received \$12 billion less in federal taxes than it paid.
That's more than the annual GDP of MOZAMBIQUE.**

Where did this money go?

**It went to states like Mississippi, West Virginia, and South Carolina.
IMPOVERISHED STATES THAT DON'T BELIEVE IN TAXING THEIR CITIZENS.**

STOP SUBSIDISING HYPOCRITICAL STATES!
